

FAIR LABOR ASSOCIATION™

FLA Webinar with Category C licensees

Join us for a Webinar on June 18

The FLA will conduct a webinar with C licensees on the Registration System and Assessment Portal with a particular focus on renewals and registering on the Assessment Portal to complete the Licensee Profile and Self-Assessment (LPSA). We will also log into the Training Portal to demonstrate the resources available to licensees and highlight resources on our website.

Please use the link provided below to register for the webinar and the best option for this conference call is to use VOIP through your computer which requires a microphone and speakers or a headset (preferred) so you can follow along online. You can also call in to the conference number provided after registration if you prefer and follow along online as well.

Please note that participants will be muted to eliminate background noise. We will also be recording this for future use. The best option for questions is to type them in the question area as the call is in progress.

We look forward to this demonstration of our system and portals, which we hope will answer many questions! Feel free to send us questions in advance as well.
